Decker Fasteners Limited is a leader in supplying high-quality fasteners to our customers in the automotive, highway, and construction industries. Our nearly 100-year legacy has stood for quality and service. We take pride in our commitment to excellence and are seeking motivated individuals to join our team.

Overview:

As a General Machine Set Up Operator, you will be responsible for preparing and configuring machinery for production runs, monitoring equipment performance, and making necessary adjustments to maintain optimal efficiency and product quality.

Responsibilities:

- Set up tooling and feeding system
- Operate and maintain multiple processing machines
- Monitor and inspect processed parts for defects and damage
- Test processed parts to performance standards
- Operate material handling equipment, such as forklifts and pallet jacks
- Record and input transactional data in computer system
- Maintain product lot control
- Help to maintain a clean and organized work area
- Ensure compliance with all safety and quality standards
- Assist in the implementation of continuous improvement initiatives within the department
- Other duties as assigned

Requirements:

- High school diploma or equivalent
- Previous experience with machine operations or manufacturing environment preferred
- Ability to operate forklifts and other material handling equipment preferred
- Strong attention to detail and accuracy in performing tasks
- Basic computer skills for data entry and inventory management
- Mechanical aptitude and problem-solving skills preferred
- Be a team-player with good organizational and time-management skills
- Ability to lift and carry up to 40-pound boxes

Benefits:

- Competitive hourly wage based on experience
- Voluntary overtime
- Health/Dental/Vision Insurance
- 11 paid holidays
- 4% 401k match
- Term life insurance
- Short/Long term disability insurance
- Paid vacation
- Additional company appreciation events, incentives, and apparel

How to Apply:

If you are a motivated individual with a strong work ethic and a commitment to quality, we encourage you to apply for the General Machine Set Up Operator position at Decker.

Please submit your resume to emilyg@deckernut.com
